

Are You Ready for the GST Rate Change?

Seminar Invitation – Thursday 16 September 2010

Our team at Mackay Bailey Butchard Limited invite you to a seminar designed to assist you with the practical side of coping with the GST rate change and finding the potential 'hiccups' before they find you!

The event will provide practical information and the chance to network over a few drinks afterwards.

Some of the areas we will discuss are:

- Ø Time of supply issues surrounding the rate change.
- Ø Contractual issues – payments in advance, partially completed contracts.
- Ø Do your contracts enable you to pass on the GST?
- Ø Transitional issues – including return filing obligations.
- Ø Systems issues – are your accounting systems ready to cope with the change?
- Ø Pricing – how will you deal with the GST rate increase as part of your overall sales strategy?

Our Business Systems Manager, David Ballinger, will also be available to discuss what changes you will need to make to your business accounting systems.

Event Details:

The seminar will be held on Thursday 16 September 2010 at Mancan House, Cnr Manchester Street and Cambridge Terrace, Christchurch from 4.00 p.m. – 6.00 p.m.

The seminar will run for about an hour with drinks and nibbles served afterwards.

There is no charge for this event.
